Meals with a Mission

February 21 Fundraiser

Seven years ago, Meals with a Mission began as a simple act of compassion through Chef Pat's Table. What started with 250 meals prepared as a random act of kindness became a consistent calling rooted in empathy and obedience. Since then, the mission has grown: • 2023 – 2,500 meals served • 2024 – 4,800 meals served • 2025 – Nearly 6,000 meals served Every meal is home-cooked, healthy, and prepared with dignity. We serve individuals experiencing homelessness and families working hard yet forced to choose between rent, food, utilities, and transportation. Our 2026 goal is bold: 12,000 meals served.

Community in Action
