ABOUT US

Meals with a Mission is a nonprofit organization dedicated to serving the unserved and making a meaningful impact, one meal at a time. Our mission is rooted in compassion and a deep commitment to uplifting those in need, whether it's individuals, families, or partnering with other nonprofit organizations to extend our reach.

We strive to provide meals, resources, and support to anyone facing challenges, creating opportunities for a better life. With a heart for community, we believe in the power of coming together to bring hope, dignity, and tangible help to those who need it most.

Together, we are building stronger communities and brighter futures.

WHAT?

We invite you to join us for Valentine's Day with a Purpose, an evening dedicated to love, community, and impact. This year, our purpose is centered around the theme Heal the World. Together, we aim to bring hope and support to those who need it most, one meal, one moment, and one mission at a time. Your sponsorship can play a vital role in driving this vision forward, empowering us to serve the unserved and create lasting change in our community and beyond.

Let's make a difference—together.

WHY?

Last year, Meals with a Mission served over 4,000 meals—not only to individuals experiencing homelessness but also to families in need and other organizations we proudly supported. This year, we are determined to exceed that number, extending our reach and impact even further. However, we can only achieve this ambitious goal with the support of generous donors who share our mission of compassion and giving. Together, we can make a difference and bring hope to even more lives.

HOW?

You can support this mission by becoming a sponsor or an active donor. We offer various levels of sponsorship to suit your level of commitment (see the next page for details). Donations can also be made as a one-time gift or set up as recurring contributions. For more information, please visit our website at www.mealswithmission.org. Together, we can make a lasting impact!
